## DISCLAIMER:

### Private Consultations

Readings are a form of experiment. No claims are made, and results cannot be guaranteed. Kay Reynolds is not a fortune teller. Her aim is to try and give evidence of survival of loved ones in the spirit world. Spirit may include a glimpse of the recipient's life or a situation of the

individual(s) at this time. Any life choices you make must be your own as you take full responsibility for your own life path. Kay Reynolds would advise you not to book a sitting if you are aware of any medical or psychiatric condition which may affect your interpretation of the sitting. Please understand there is no guarantee of who will come through to communicate. If the loved one you wish to hear from does not come through, please know it in no way indicates they do not love you. It simply means today was not the right time or it could mean the medium is not the right medium for that particular loved one.

If after 10 minutes into the reading you are not satisfied, you may stop the reading for a full refund.

All cancelations must be made 48 hours in advance to not be charged in full
